

**Job Announcement:**  
**Heavy Equipment Mechanic**

Lone Rock Logging Co., of Roseburg, Oregon, is currently accepting applications for a full-time Heavy Equipment Mechanic. Lone Rock's Mechanic Shop is instrumental in ensuring Lone Rock's logging, road construction, mechanical cutting, trucking and forest management operations are functioning at the highest level. This requires servicing, maintaining and repairing a wide-variety of numerous heavy forest-based equipment and rolling stock. Lone Rock regularly ranks as one of the best companies to work for in Oregon.

Qualified candidates are required to have at least 3-years' experience as a mechanic working on heavy/industrial equipment and a Class-B CDL Driver's License. Hourly wage is based on quality experience relative to Lone Rock's needs, with wages starting at \$22/hour, with consistent opportunities for earning overtime. This position is eligible for a signing bonus.

The preferred candidate shall be able to exhibit excellent communication and teamwork skills and experience as well as demonstrate a positive attitude and willingness to learn new methods and skills necessary to meet Lone Rock's maintenance and repair expectations. The selected candidate will be required to work independently and efficiently in a productive manner, both in a shop or field setting.
